

Календарный учебный график

Table with 53 columns (days of the year) and 16 rows (Week, Month, Year, and Learning Objectives I-V). The table is divided into five sections (I-V) by horizontal lines. Each section shows the distribution of lesson types (Э, К, П, Д) across the year. Asterisks (*) indicate holidays. Shaded areas in the original image represent specific weeks. The bottom row of each section shows the corresponding dates for the year.
